

procesar_entrada

```
graph LR; A[procesar_entrada] --> B[joystick_leer2]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is dark gray with a black border and contains the text 'procesar_entrada'. The right box is white with a black border and contains the text 'joystick_leer2'. The arrow points from the right side of the first box to the left side of the second box.

joystick_leer2
